Dear Winston Park K-8 Center Families:

As part of the Miami-Dade County Public School Students Service Department, counseling services are included at both the elementary and secondary levels (School Board of Miami Dade County Bylaws and Policies 6Gx13- 5D-1.091; Comprehensive Student Services Programs Pre-K - Adult). The counseling team consists of counselors, administrators, and student services personnel.

The counseling program at Winston Park K-8 Center supports the academic development, career development, personal/ social development, and health of our students. Counseling is accomplished through individual counseling, group counseling, classroom activities, teacher collaboration and special school-wide programs. These counseling activities are on-going and may occur as needed.

The following methods may be utilized to meet with a member of the counseling team: self-student request, student peer request, teacher or administration referral, and parent request. Students can verbally request counseling from their teacher or counselor. Parents may contact the Counseling Department at (305) 386-7622 with their concerns and questions.

The Counseling Team continues to work hard to service the needs of Winston Park K-8 Center students and families.

We look forward to a great year!

Sincerely,

Paula Davidson, School Counselor (PreK – 2)

Monica Diaz, School Counselor (3-5)

Doris Sampson, School Counselor (6-8)
